

# Child-Reporter

If you are between 8 and 14 years old and you have experienced something with your pet or you have heard a story about an animal and you would like to share that with us, then write this story of maximum 500 words, add some nice pictures and forward it to Al Barsha Veterinary Clinic before the 6th of October 2009. You can either bring it in person or e-mail it to [abvc@eim.ae](mailto:abvc@eim.ae) while mentioning Child-reporter in the Subject.

The winner will have his/her story published in one of our next 3 newsletters and can look behind the scenes of Al Barsha Veterinary Clinic for a whole afternoon.

The story has to be about animals.
