

Dress up competition

The couple (child and its pet) which dresses up and presents itself in the most beautiful, most funny, most distinguished, most scary way, will win a nice present. In order to make it easy for mums to bring in their "winning couple" we have set a wide time schedule. You can just walk into the clinic any time on the 5th of October all dressed up as a couple and we will take your picture and your telephone number, the staff present will give you a score from 1 to 10 (10 is highest). At 6 pm we will announce the winner who then can come and collect his/her prize anytime the next days till closure of the celebrations on the 7th of October 2009.
