

## A Cats New Years Resolutions

- I will not slurp fish food from the surface of the aquarium
- I will not lean way over to drink out of the tub, fall in, and then pelt right for the box of clumping cat litter.
- I will not use the bathtub to store live mice for late-night snacks.
- I will not perch on my human's chest in the middle of the night and stare into her eyes until she wakes up.
- I will remember that screaming at the can of food will not make it open itself
- I will remember not to play 'Herd of Thundering Wildebeests Stampeding across the Plains of the Serengeti' over any humans' bed while they're trying to sleep
- I cannot leap through closed windows to catch birds outside.
- I will not stick my paw into any container to see if there is something in it. If I do, I will not hiss and scratch when my human has to shave me to get the rubber cement out of my fur.
